Dear Jose Santos,

We respectfully endorse Liza Bautista, a 4th Year Bachelor of Science in Information Technology (BSIT) student with student number 2021-00002, for On-the-Job Training (OJT) at your organization for the AY 2025-2026 1st Semester.

In partial fulfillment of the requirements for the degree Bachelor of Science in Information Technology, the student is required to complete 486 hours of supervised on-the-job training. We trust that the student will benefit from meaningful industry exposure aligned with their academic preparation.

The student has completed the required pre-OJT requirements and is now cleared to begin training. We kindly request your acceptance and support as they undertake tasks relevant to their field of study.

For coordination or verification, please contact the undersigned at j.reyes@ojt.edu.ph. We sincerely appreciate your continued support for our internship program.
