
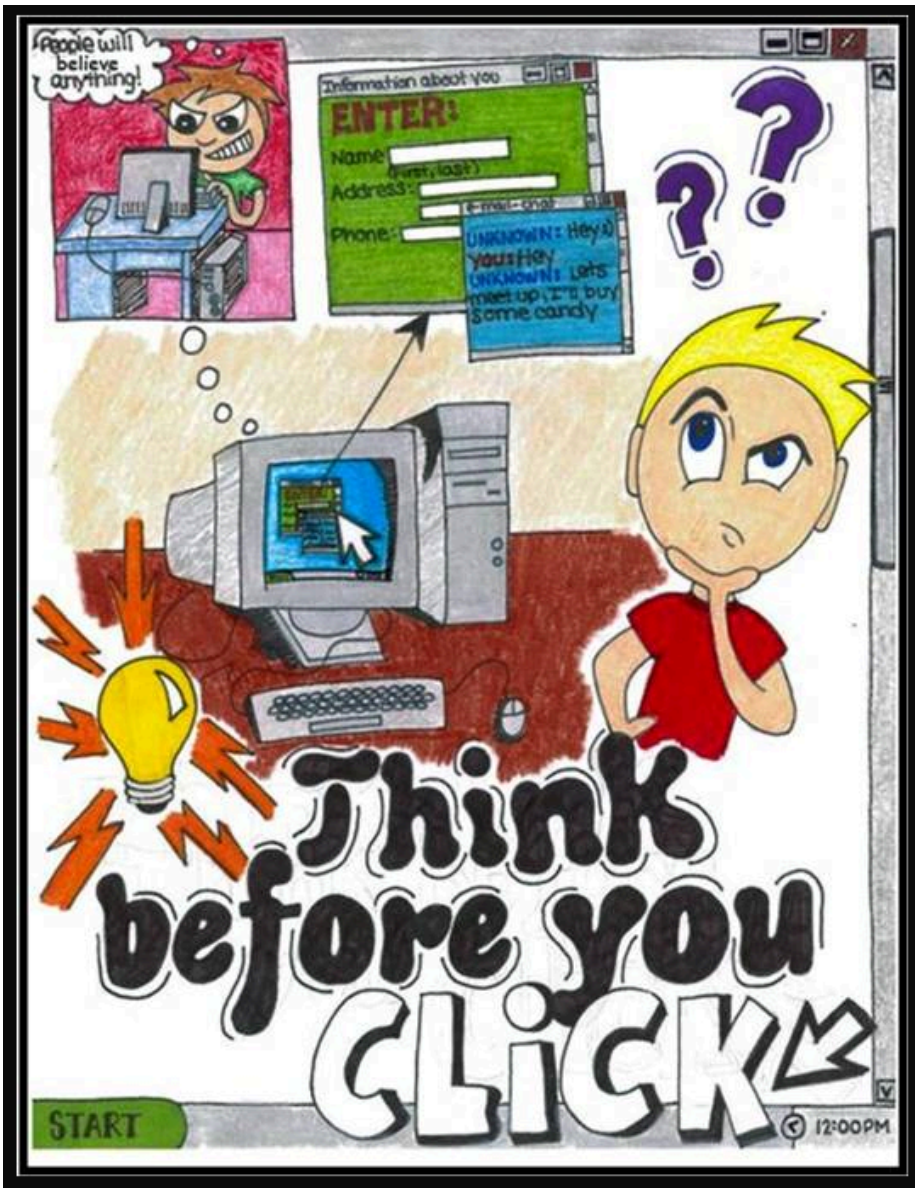
SEAT WORK NUMBER 3

Instructions:

1. Create your own slogan or tagline about malware prevention. Example: “Think before you click.”
2. Using any art materials(bond paper, pastel, water color or colored pencil), create a poster about your slogan or tagline. Please see the image below for your reference.
3. It must be created by hand; computer-generated content is disallowed.
4. Pass your activity during our class schedule.

Example Output:



People will believe anything!
Information about you
ENTER!
Name:
(first, last)
